Stand for Touch screens

SPB.3700 Stand trolley 65 inch with Reinforcement set and 170x140 head

Smartmetals has composed a product especially for Touch displays for a special price: an indivisible stand on wheels up to 65 inch with a reinforcement set and a special stand to which the display can be attached. The reinforcement set creates additional stability for working with touch displays. One of the following screen mounts should be added: 052.1000/.2000/.6000, which can be chosen based upon the weight and mounting pattern of the screen.
